ABOUT ME

I am a dedicated and detail-oriented graduate with both a Bachelor's and a Master's degree in Applied Mathematics from Noakhali Science and Technology University. I possess strong analytical and problem-solving skills, with a passion for leveraging mathematical techniques to address complex challenges. My academic background has equipped me with in-depth knowledge in mathematical modeling, statistical analysis, and data interpretation. I am seeking a dynamic role where I can apply my skills and contribute to organizational success while further enhancing my professional expertise.
