## PROFESSIONAL SUMMARY

A Professional individual with a B.Sc. in Computer Science Engineering and over 10 years of experience in writing, including SEO content, fiction, and non-fiction. Translating & writing articles in the topic of politics, philosophy, sports and economics is also in my expertise. My strong communication skills and deep understanding of human relationships enable me to connect with people effectively and manage teams with confidence.

As a published author, I bring creativity, dedication, and attention to detail to every project I undertake. I have proven expertise in managing groups and ensuring tasks that are executed professionally. I possess strong skills in calculations and have an efficient approach to handling paperwork. My ability to balance analytical thinking with interpersonal skills makes me well-suited for roles requiring leadership, organization, and problem-solving.

A passionate job seeker offering both part time & full time work experiences and extensive knowledge of core subject matter with communication skills who wants to pursue a role job.
