

M. A. AHAD SOHAG

I have attended SSC and HSC exams. I have completed Level 4 Diploma in Hospitality Management at Mornington University of College which is also a centre of CTH (Awarded body of UK). I want to communicate with every type of person and I can do it at ease. I have experienced working in field which gave me quite an idea about communication with people and in my study in Hospitality Management I've acquired knowledge about how to handle customers and how to do business.
