CV of Epi Chakma

Summary:

I am a motivated and detail-oriented graduate in Sociology and Anthropology from Green University of Bangladesh. I am passionate about social research, community development, and field-based data analysis. Through my academic and project experience, I have developed strong communication, analytical, and teamwork skills. My goal is to work in an organization that values learning, social impact, and collaboration.

Research Monograph:

The Impact of Urbanization on Indigenous Traditional Cultivation Systems: A Study in a Khagrachari Village.

Green University of Bangladesh | 2025

- Conducted field-based research in Khagrachari on indigenous cultivation practices.
- Collected data through interviews, observation, and surveys.
- Analyzed the socio-economic and cultural impacts of urbanization.
- Developed a full-length academic report under faculty supervision.

Academic Research Project:

Impact of Climate Change on Livelihoods and Traditional Practices of Maya Island Inhabitants under Narayanganj District.

- Examined climate-related challenges affecting local communities.
- Applied qualitative research methods and data analysis.
