

MD.AFJAL HOSSAIN

ABOUT ME

To develop myself as a professional which is an opportunity to make a fruitful contribution to for fighting a better world and also want to develop my personal skill in a self-motivated working environment. Working in a renowned organization where honesty sincerity and hard work will be evaluated and appreciated.

EXPERIENCE

- **Bkash Ltd.** Working as a BP, for promoting Bkash brand. Where I gather so many field working experience. And all we know this is a big giant company for Bangladesh, and when I worked for this type of company I gather so many skillfully attitude and professionalism from here.
- **Robi** . Here I work for promoting their some new projects at that time where I have to communicated so many types of people, that's why I can improve my communication skill from here.
- **Unilever**
- This is a big project for me, already I completed many projects for Unilever. This project helped me to work under pressure. When I work for that type of global company, it gives me to share knowledge and gather more experience.
