PROJECT

Smart Planning Strategies for Tourists Exploring the Sundarbans

(Undergraduate Field Work)

- Address security issues and sustainable tourism challenges in the Karamjal area.
- Enhance technological facilities to promote smart and eco-friendly tourism.
- Examine environmental factors and forest management for long-term sustainability.

Alternative Income Earning Facilities to Beggars to Reduce Trouble in Public and Crowded Places at Gopalganj Town

(Undergraduate Field Work)

- To understand the socio-economic background of beggars in Gopalganj town.
- To identify skill sets among the beggar population and potential areas for training.
- To propose sustainable income-generating alternatives.
- To engage stakeholders in implementing solutions.

VOLUNTEERING AND EXTRACURRICULAR ACTIVITIES

Member of Debating Society

2021-2023

I actively contributed as a member of the University Debating Society, participating in debate competitions and organizing events to promote effective communication and leadership. I further enhanced public speaking, analytical reasoning, and teamwork skills through regular debating activities.

Member of Society for Research and Development

2023-present

I am engaged in sociology and social research-based workshops, helping students develop advanced analytical and research skills while fostering a culture of critical thinking and social inquiry.

Member of Blood Donating Group BADHAN

2020-2023

As a member of BADHAN, I participated in blood donation drives and community awareness initiatives. I also assisted in organizing events to encourage participation and promote a culture of social responsibility among students.

Member of Come for Road Child, GSTU

2020-Present

I dedicate my efforts to empowering street children by orchestrating awareness initiatives and facilitating impactful community engagement programs.

SPOKEN LANGUAGES

Bangla, English
